8) Re resolution of the Municipal Council to attend to the work of removal of Zam rubbish thro the departmental (municipal) agency and to purchase three 2 carts two pairs of bullocks at a cost not exceeding Rs 1850/- as provided for in the budget for the year may be approved

not accepted the tenders received on this behalf but it is likely that ultimately the maintenance charges of the bullocks will be rather heavy in these days of soaring prices & possibly the carts may not be cheaper than the cost of those ordered by the tender system

Per Secy 5/8/49 15/8 6/8

The resolution of the Municipal Council to purchase two pairs of bullocks & two carts at a cost of Rs 1850/- may be sanctioned

9) But what about the maintenance & feeding charges of the bullocks?

378 V 1966 I

Has any provision for all such incidental expenses been made in the budget & has a resolution been passed for this purpose? Can such expenses be met by the Mily without a resolution & without the sanction of Govt?

Adverting to your letter No L 2716 dated 18th August 1947 calling for information on certain points raised therein, I have the honour to state with reference to the first point raised that no provision is made in the Budget for 47-48 to meet the incidental expenses of maintenance and feeding bullocks As regards point 2, the reply is in the negative It is however reported that a resolution has been passed by the council on 27-8-47 (copy enclosed) for purchase of 500 bundles of paddy hay and 5 pallas of horse gram The cost of paddy hay is stated to be Rs 10/- but the cost of horse gram is not stated and it is not also stated how the cost of both the items would be met if no provision has been made therefor in the Budget It is admitted that there is no provision to incur such expenses without a council resolution and sanction of Government (reply to point 3)

I have instructed the President to apply for sanction with a resolution of council before incurring expenditure for both the items in time pointing out the source of debit either by reappropriation or otherwise I request therefore that the purchase of carts and bullocks as resolved by the council may kindly be got sanctioned as recommended already

Adverting to above reference I have the honour to state that a sum of Rs 1850/- has been sanctioned in the Budget for 1947-48 by the Government in their order No L 3336 7ML 27476 dated 28-8-1947 and the same has been received with your Office memo no D3-C 3810/4647 dated 11-9-1947

The Municipal council have spent towards purchase of 2 pairs of bullocks, 2 Conservancy carts and 500 bundles paddy hay as noted in the margin

As there is still balance of Rs 568/- out of the sanctioned budget estimate which may suffice for purchase of hay and horse gram, as the Municipality purchase during the harvest season and I am of opinion that re-appropriation is unnecessary

Therefore, I, request you kindly to approve the expenditure for maintenance of conservancy, bullocks out of the balance of sanctioned amount of Rs 1850/—
